

# St. Peter Parish SCRIP Program Partner

Re.Source Partners is a global remarketer of used IT equipment. We would like to offer a special used computer program to students and parishioners.

The equipment offered would consist of desktop computers, laptops, flat panel LCD monitors and printers. All systems will be tested, operable and contain the operating system originally installed by the manufacturer. All other software will be the responsibility of the buyer.

All the equipment will be fully warranted for a period of 90 days from the date of purchase.

For more information, pricing or to place an order please contact:

**Convenient Ordering:** You may place your order by phone and it will be ready for pick up by appointment at your convenience during business hours at re.Source Partners. There are several packages available to you.

**Important Note:** When you place your order, you **MUST** indicate that you are a St. Peter SCRIP participant. Please let Denise know you are St. Mary School/St. Peter Church affiliated. re.Source Partners needs to know this so proper credit can be given to your SCRIP account.  
Thank you!

re.Source Partners has compiled three computer packages along with laptops and single piece purchases specifically for the families and friends of St. Marys Catholic School and St. Peter Parish.

All systems will be cleaned, fully tested, and complete with a re.Source Partners 90 Day Warranty.

If interested in purchasing one of these units, please complete the form below and a re.Source Partners sales assistant will contact you within 48 hours to confirm your order and answer any questions you may have.
